

**Pesticide Control Program
PO Box 420
Trenton, NJ 08625-0420**

INSURANCE COVERAGE VERIFICATION FORM

Completion of this form is mandatory for Pesticide Applicator Business licensing.

The following is the minimum insurance coverage required for Pesticide Applicator Business licensing in New Jersey:

Type of Coverage Required

A. Commercial general liability coverage, including completed operations.

B. Chemical liability coverage, equivalent to that provided by the ISO endorsement CG 22 64, if available for the type of pest control work done.

Limits of Liability Required

A. For Pesticide Applicator Businesses that **do not** do fumigation work:

The equivalent of a \$300,000 combined single limit for bodily injury and property damage.

B. For Pesticide Applicator Businesses that **do** fumigation work:

The equivalent of a \$500,000 combined single limit for bodily injury and property damage.

COMPLETE THE ENTIRE FORM BELOW:

___ Yes, I have the required commercial general liability coverage.

___ Yes, I have the required chemical liability coverage.

___ No, I do not have the required chemical liability coverage, as it is not available for my type of pest control.
